

It's almost 1 a.m. and your plant has just failed.

Do you:

- A:) Expect a pink slip
- B:) Go back to sleep
- C:) Call the Emergency Response Team
at ENCORE[®] and save your plant

ENCORE[®]'s Emergency Quick Ship Program

When your facility is not operational, count on the Emergency Response Team.

- Using Core-Tools[®], technicians can access our online database of over 10,000 parts ready to be shipped.
- With a nationwide service network, a highly experienced staff will assist you in restoring your operation to full capacity.
- Our call center is available toll free 24/7/365 because facility failures can happen anywhere at anytime.
- ENCORE[®] provides a wide range of service solutions.
- Contact your ENCORE[®] Representative today for more information.
